DESIGN INNOVATION AT ITS BEST

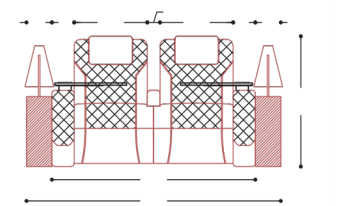

## A D O R N E with wooden arm

Meet Adorne, comfort and looks, a class apart!

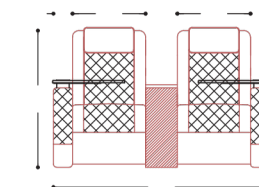

What can we say about this modern marvel! Designed with just comfort in mind and adorned with a craft that is beyond beautiful, it is there to add grace to both - your life and lifestyle. The recliner reflects a two tone feel that keeps you hooked to it, while its contour back invites you for yet another experience of utmost comfort. Take a nap in this magical chair and experience the true definition of tranquility.

## A D E R I A

Invite the best form of comfort into your life with Aderia, the style statement of your cinema.

Made to look class apart, This marvel is yet another addition to our family that stands for comfort, luxury and bold features. The wooden console is made to add grace while adding warmth to your cinema watching experience. The ergonomics and comfort of this master piece is a class apart that keeps you hooked for the entire duration of cinema.

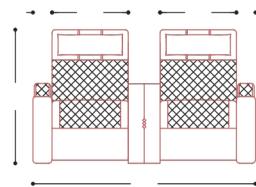

## FUSION

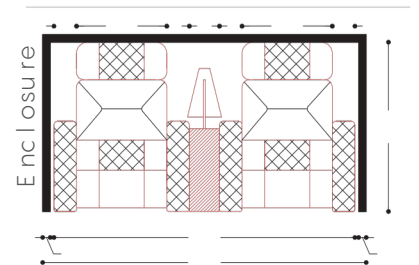

Experience the magnificent fusion of serenity and art. Finding its inspiration from the marvellous culture of South India. This master piece originates its form from Nettipattam which is an embellishment worn by elephants and is said to bring good fortune. This recliner surely does justice with its unique form and comfort. The height adjustable head cushion just feels wow while the chair back and console comes with cladding that brings charm while luxury is reflected throughout.

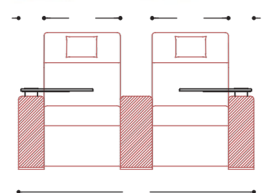

## GRANDE with Enclosure

Grandé, a tranquil journey for those who seek grandness in life.

Born out of fascination, this recliner has everything to ignite your imagination for utter comfort and absolute elegance. The masterstroke of a craftsman, this recliner has two motors- one for backrest & one for seat and footrest, to soothe your senses at once. Giving this phenomenon machinery an equally phenomenon shape, it is crafted with graceful and contemporary upholstery, making it eye-catching, elegant, chic and most importantly, unique! The lap of optimum composure awaits you.

## VERVE with wooden arm

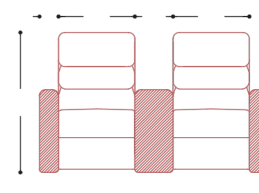

Few can afford the luxury of comfort. But only a few can avail the luxury with comfort. Here's a piece that's nothing less than a masterpiece — Verve. The most premium recliner from our arsenal, Verve has every charm to capture your senses with its spectacular looks and calming performance. Designed with astonishing accessories to fulfill your every desire, this lavish Recliner will surely become your desire the moment you experience it. Truly a masterpiece for those who have an eye for opulence!

## MILLOR with wooden arm

Unveiling the world of comfort and panache with Millor.

Taking Millor a notch ahead with its added beauty- wooden arm and console, this master piece is definitely for those who loves millor but wants that premium feel for the cinema. Overall it's a true show stealer with its minimalism that creates everlasting memories.

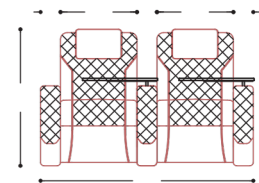

## A D O R N E

Meet Adorne, comfort and looks, a class apart!

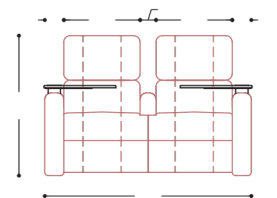

What can we say about this modern marvel! Designed with just comfort in mind and adorned with a craft that is beyond beautiful, it is there to add grace to both - your life and lifestyle. The recliner reflects a two tone feel that keeps you hooked to it, while its contour back invites you for yet another experience of utmost comfort. Take a nap in this magical chair and experience the true definition of tranquility.

## R I T Z

What creates a spellbinding & soothing aura is spelled Elegante.

A true trend setter, this innovative chair offers the best of both the worlds. While its graceful appearance adds splendor to your living rooms, its cushioned seat and arms serve you with utmost coziness. To enhance your cinematic experience, the adjustable cushioning lets you customize your comfort just the way you want. Be seated and indulge in the ultimate bliss of enjoying life in cloud nine.

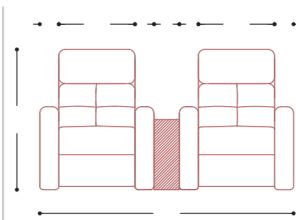

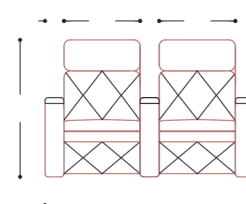

## ARMONIA

Armonia is nothing but a harmony between comfort and grace. The modern you deserves a contemporary model like Armonia which speaks only one language... the language of serenity. Offering optimal ergonomic support and comfort, this model offers you contentment in every viewing angle with lumbar support. Designed to mesmerize, its sharp looks make it the center of attraction. It's time you fell in love with absolute perfection!

## VERSATIL HT

Presenting Versatil HT, a recliner that's versatile just as its name. Whether you use it in your home theatre or simply get it installed in a multiplex, it plays both the roles flawlessly. While its appealing design makes it flaunt-worthy, its exceptionally soft and cosy arms, along with the quilting design on the back, take its comfort level a notch above. Feel like adding more cosiness to it? Well, go ahead and add any accessory on its arms and pamper yourself even more.

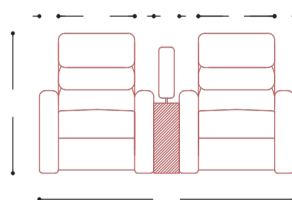

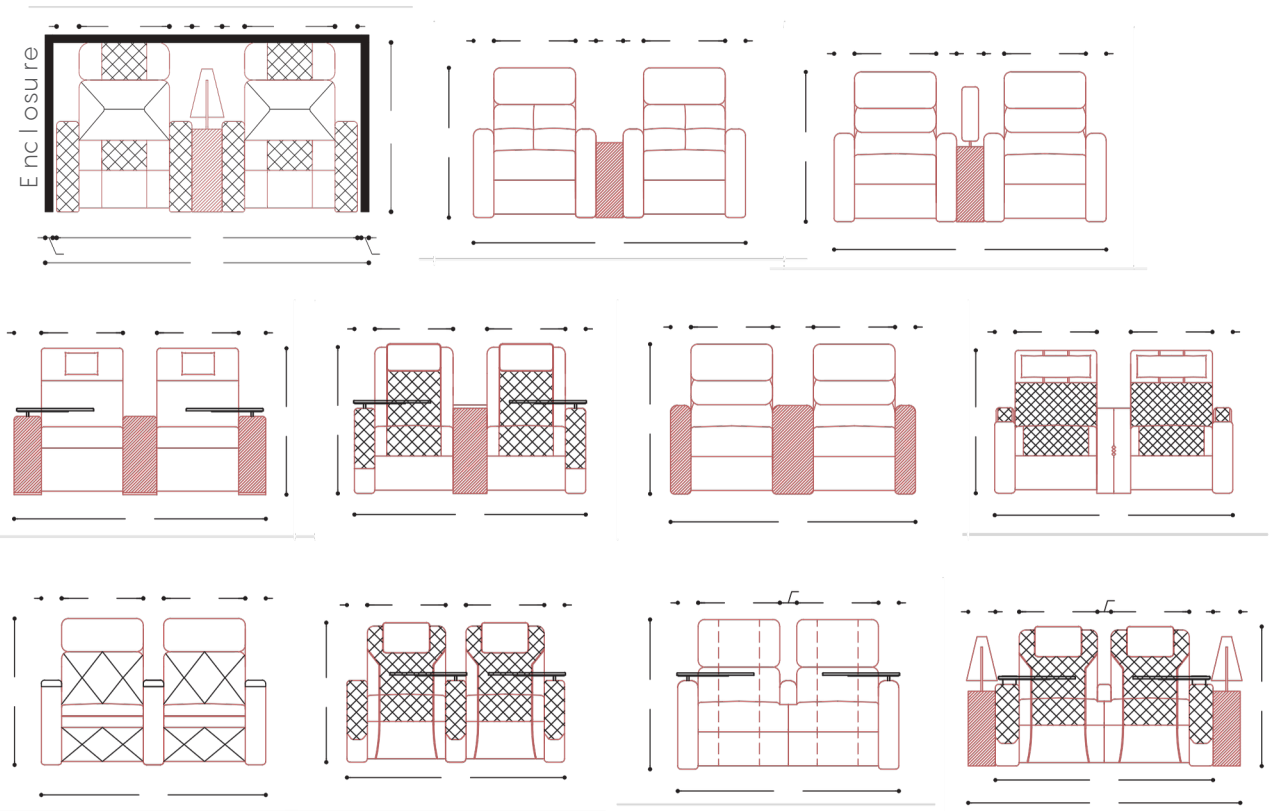

## MILLOR

Unveiling the world of comforts and panache with Millor. Stitched with the thread of elegance, draped with sheer elegance and designed to turn heads, Millor is a true show stealer. Designed ergonomically keeping in mind the space constraint of the home cinema environment, it offers flappable and adjustable back cushions allowing you to modify its comfort yourself. Craft a magical aura around in style and turn fleeting moments into everlasting memories!

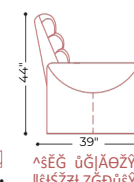

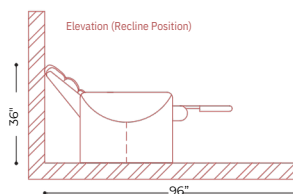

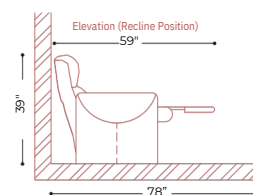

## CUSTOMIZE SEATING LAYOUTS

Following are the seating layouts along with dimensions for your theatre. Being a manufacturer we offer highest levels of flexibility to customize your very own entertainment space.

Semi Recliner - 59"

Recliner - 69"

# Wooden Styles

"Touch has a memory"  
- John Keats

Every touch has a memory and all memories are built to last long. It is this memory that we want to build for every cinema visitors with our uniquely hand crafted arm rest tops made in variety of finishes and colors. Want to add warmth and uplift the cinema watching experience then jump on to select one of these wooden arm rests to experience the true definition of tranquility.

\* Wooden Polish for reference only.

# Stitching Patterns

Beauty lies in the eyes of the beholder but for our masterpiece recliners the real beauty comes out by the meticulous stitching pattern. The stitch patterns are done in such a way that it gives depth to the overall design. Done on seat, back and armrest to bring out the real soul of the chair. Done by the best craftsman, this is a major yes if you really want to make your chair stand out.

## EXCLUSIVE SHOWROOM

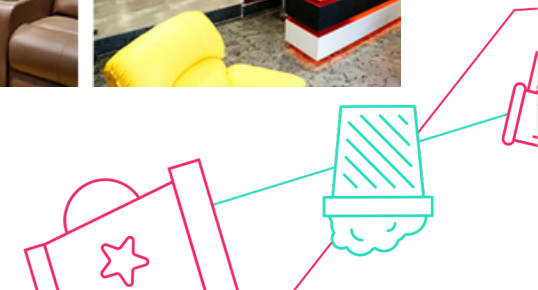

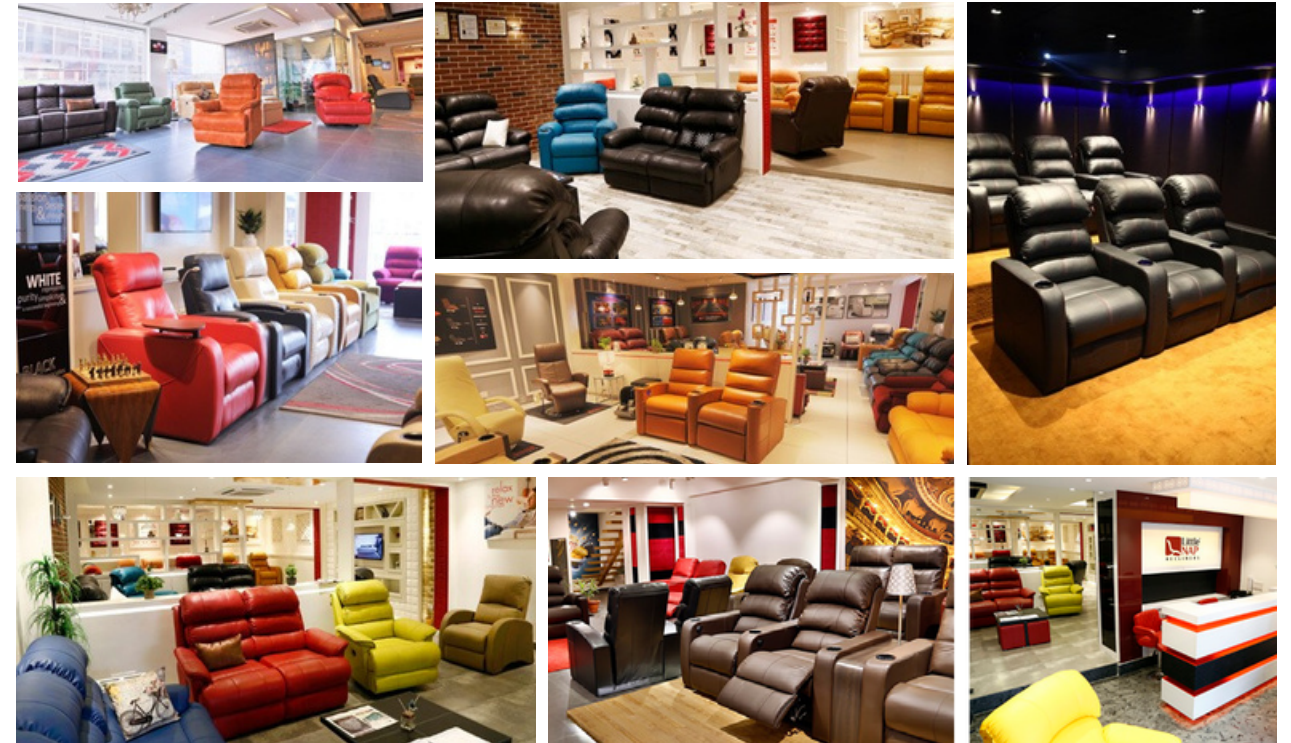

What marks the success and stature of our brand is our state-of-the-art manufacturing facility. Spread over massive 75000 sq.ft., it is equipped with modern machineries and high - end hand tools- to craft a flawless chair every time.

Thoughtfully designed, their full setup is equipped with all the safety measures.

What makes it exceptional is the dedicated studio for photoshoots of recliner chairs, where our little marvels get their first photoshoot done. While a Cafeteria, with entertainment devices comforts our employees, all these amenities help us manufacture chairs that comfort you.
